Numbers

Very important!
This is an Administrative, Internal Control Process. It is also a mandatory courtesy.

You have a UCSD P.I.D.
It’s yours’, not ours’. Keep it. We never need it.

In this Course, you will be assigned a **Number** *(a 1-3 digit integer)*, and **You must use it to get credit for your work.*
How to find your *Number*

A class roster will be published. On it, in alphabetical order, you will find the last 4 digits of your PID and the first letter of your last name ... find these (use <CTL F> and your *Number* will be there.

Check with the TA if you are unsure.

If you do **not** identify your work with your *Number* then it will **not** be recorded.
